SWIMMING POOL

RULES, REGULATIONS, & SAFETY TIPS

Here are some tips on keeping your children safe and still giving them the opportunity to make the most out of their swimming experience!

DO: Enroll your children in swimming lessons. Make sure they learn how to swim from a trained professional. The Y swimming program will teach them how to be safe in and out of the water.

DO: Swim with your children. There is no better way to keep an eye on them! It's going to be hot, so hop in and cool off with your kids!

DON'T: Drop your child off if they are under the age of 8 OR if they cannot pass a swim test. They will not be allowed to swim without you in the water with them.

1. Children **MUST** be 8 years old or older **AND** be able to pass a Lifeguard approved swim test to use the pool without a parent/adult in the water with them.
2. No running, boisterous or rough play, except supervised water sports, is permitted in the pool, or on the runways, diving blocks, floats, platforms, or in the dressing rooms.
3. Spitting or spouting of water, blowing the nose or any other similar activities in the swimming pool is strictly prohibited.
4. Diving is only allowed from the far deep end of the pool. Anyone jumping off of the side of the pool must do so facing forward. No back dives, flips, cartwheels, or pushing is allowed in any area of the pool.
5. Rest breaks may be called at the lifeguard's discretion. All patrons must exit the pool area during rest breaks.
6. Be respectful of those swimming around you.
7. The lifeguard is the authority on the pool deck. Failure to follow the lifeguard's instructions or disrespectful behavior is adequate grounds for ejection from the YMCA.

Mandatory Rest Breaks will be enforced at the following times: 7:45-8AM & 3-3:15PM

Mentor a Swimmer with our Swim Team Program- contact Collette or Jamie at 308-237-9622
