

The Kearney Family YMCA is a 501(c)3 nonprofit organization committed to strengthening our community. The YMCA provides a variety of programs that support educational achievement, active lifestyles, health/wellness, chronic disease intervention, childcare, summer day camp, water safety, homework help, and family programs. By investing in our kids, our health, and our neighbors, the Kearney Family YMCA ensures that everyone, regardless of age, income, or background, has the opportunity to thrive—thereby strengthening our community.

The Kearney Family YMCA "Healthier Tomorrow" public fundraising campaign is financing building enhancements and improvements, including a spacious ground-floor Wellness Center with a wealth of fitness equipment and large windows, a new main entrance, and a newly created community meeting rooms and learning kitchen and STEM Classrooms.
